Dear Parents,

Studies have established that learning to play a musical instrument can contribute to better test scores and help make you smarter. To learn more about these fascinating studies go to our website, [www.musichouseinc.com](http://www.musichouseinc.com) or give us a call. However, most important, ***Making music is fun, anyone can learn, and a musical education will begin a lifetime adventure.***

Your child can launch their musical education at their school. We use the 'talent education approach through use of recordings that will inspire and train the impressionable ears of your student, and parents as well. The violin is an excellent beginning for all ages. We offer **violin** for **students K-8** or **Rock' sCool-School of Rock** for **student in grades 3-8**, for acoustic, electric or bass guitar, keyboard, drums, or vocals.

**Violin** classes are offered on **Mondays and Fridays from 8:30AM-9:30AM.**

**Guitar/Rock Band** classes are on **Tuesdays and Wednesdays from 8:30AM-9:30AM.**

**Classes begin Monday, September 20, enrollment continues through September.**

We have instruments in your child's size! **Violins** for students ages 5-7 are scaled at 1/16, 1/10, 1/8, 1/4, 1/2, 3/4, and 4/4. We will fit your child with an instrument of the proper size or exchange an instrument for a better fit. We offer rental instruments at reasonable rates (see back).

We may deliver a rental electric **guitar** unless otherwise specified. Electric guitars require an amplifier for the best tone and for performing. An amplifier is recommended but not required for practice at school or at home. Amplifiers are available at an additional fee.

We rent snare drums and will provide a drum set for performances. Sorry, we do not rent keyboards.

We also sell guitars, amplifiers and other instruments at Music House, Inc. Come in or give us a call.

*Please note:* Instruction is held at school when school is in session; there are no make-ups for absences, school holidays, 1/2 days, in-service, report card pick-up, or professional development days.

See back for tuition and registration fees.
